Mr. Adam Beyda

To Whom It May Concern;

I have had the opportunity to work with hundreds of vendors over the last 20 years to support our athletics facilities here at The University of Arizona and simply want to convey how much I value the relationship with Dreamseats / XZipit. The customer service from your sales team, in particular Adam Beyda is truly second to none. New offerings and options are regularly shared and the merchandise itself has performed exceptionally well with constant use by our athletes. I strongly endorse your products in any high traffic facility. Your team does an outstanding job setting up our teams for success! On behalf of Arizona Athletics, thanks for the great service and commitment over the last five years and we look forward to working with you for many years to come.

Sincerely,

Suzy Mason  
Senior Associate Athletics Director
