

# Dartmouth Men's Hockey

Dear Potential Customer of DreamSeat products

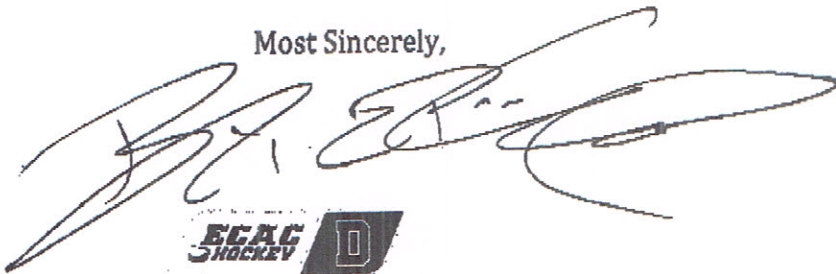

One of my first projects that I was tasked with when accepting the position as Director of Hockey Operations for Dartmouth College was to find reliable, affordable and fully functional furniture for our team video room. My research led me to the DreamSeat web site and, after submitting a request for a quote, I received an email from the account executive Matt Sobel.

With our needs and budget in hand, Matt set forth with a plan for us that included two Xcalibur Club Chairs, an XCalibur sofa and a logoed coffee table. We could not be happier with the quality, comfort, price and look of the entire package. The art department was spot on with the logos and took the time and effort to match our official colors before finalizing the embroidery.

I would recommend DreamSeat and the XZiplt line of products to anyone for any project, locker room, boardroom or even Man Cave!

To speak with me personally if you ever have any questions at all, feel free to use the contact information below.

Most Sincerely,

**BRIAN P. CORCORAN**
