To whom it may concern:

On behalf of Capitol Business Interiors, I would like to thank Dreamseat for the craftsmanship and quality of the new chairs we recently received for the job we recently completed at Fairmont State University (Basketball Film Room). I am also thankful for the staff that helped us to win this job, and then from there on after as far as customer service. We would like to recommend this product to any future users as our customer is extremely satisfied with the look and quality. Please see the attached picture of the seating installed.

Thank you!
