To whom it may concern,

My name is Alexandra Gallant and I am the Operations and Scheduling Manager for Athletics at Merrimack College. I had recently purchased lounge and office furniture from Dream Seat for our Division I Men's and Women's Ice Hockey Coaches and for our Director of Athletics. We ordered three love seats, a pair of lounge chairs and one office chair all in black with the "MC" logo on each of them.

The quality of the furniture is outstanding. I was very impressed that they were able to incorporate our athletics logo. It certainly make the ice hockey offices stand out from the rest. Payment was very easy and delivery was well executed. I worked directly with account executive Matthew Sobel and was constantly in touch about the status of the order. He made it easy on my end to assure me a timely delivery to the College,

I would recommend Dream Seat to any customer looking for high quality customized furniture, especially in the sports industry. With having two top-tier Division I ice hockey programs, we strive to have the best of everything in order to maintain the high standards we have set here at Merrimack College.

Thank you for your time,
