On behalf of the University of North Georgia baseball team we would like to say how much we are enjoying our couches, sofa chairs, and office chairs. The couches with our logo have taken our team lounge to another level. Our guys love the look and the comfort it provides while they are hanging around before and after practice. Visitors can't believe the dynamic it brings with a modern look. The logo on our office chairs adds an aesthetic feel to our office that is truly unique. With the easy zip on and off panels we have the option to easily change from our logo to mascot in a matter of a few seconds. We could not be happier with the look and feel DreamSeat has provided for our new locker room and player lounge.
