To whom it may concern:

I am writing to confirm my overwhelming satisfaction with the experience I have had at my current university and previous university with DreamSeat. The customer service is outstanding and the diversity in product line met every need we had in our recent project.

Northeastern State University opened a \$17 million dollar arena in November 2013. When it was time to furnish the facility, I was thrilled to award DreamSeat the contract. We have received multiple compliments on DreamSeat's innovative and quality product line. Our two level facility is branded with office chairs, side chairs, love seats, couches, bar stools, pub tables and end tables. The "icing in the cake" this had added to our arena has made our facility the envy of Division II within our region.

I wholeheartedly recommend DreamSeat for any upcoming projects you have.

You will not be disappointed.

Sincerely,
