To Whom It May Concern:

It is with pleasure I recommend your working relationship with DreamSeat. Our program could not be more pleased with the professionalism and knowledge that Adam Beyda provided us in our decision making process.

As an NCAA Division III football program, it was our goal to enhance our football facility. DreamSeat met and surpassed all of our goals when the office and conference room chairs along with the lobby furniture arrived. In fact, since seeing our area with DreamSeat products, other athletic teams and university departments have placed orders to enhance their areas.

I encourage any organization or institution to work with Adam and DreamSeat. Please feel free to contact me regarding our experience.

Sincerely,

Lance Leipold
