RE: DreamSeat Chairs

To: DreamSeat,

I am taking a quick moment to reply to you in regards to our order for chairs and logo order. The Worthington School District ordered 11 chairs with logos on one side. This process has met our expectations in relation to the chairs and has helped to provide a professional look to the current board room.

Mr. Behringer has been easy to work with and followed up on our order to ensure that we have received the correct product and that we are happy with the order. He is very easy to work with and followed through on pricing and order.

I would like to thank you for providing quality service and experience related to the order.

Respectfully,

John Landgaard, Superintendent
