To Whom It May Concern,

I am writing to offer my recommendation for the services of DreamSeat and Seating Solutions for our bleacher, chair back and team room needs at Sadler Stadium.

Our seats and furniture were installed this past October and our program couldn't be more pleased with the results. We have been most impressed with the expertise and accommodating personal qualities of Matt Sobel, Chandler Suprina and other staff who maintained constant contact with the college's staff in seeing this project through to completion. If there were to have been an issue, DreamSeat and Seating Solutions' staff was on top of the situation and providing our program with a solution.

We found not only the professional knowledge they brought, but also their ability to help us get exactly what we wanted in creating the intimate feel we wanted in our seating area. The seats themselves are first class and very comfortable for our fans to sit in. Currently our stadium has 90 black 901 Box Seats, 72 907 black Box Seats with maroon seat pads for VIP sideline seating as well as bench seating for 21 fans on our brand new bleachers installed by Seating Solutions. We look forward to expansion later and having DreamSeat and Seating Solutions continuing our facilities growth.

The XZipit furniture we purchased from DreamSeat for our team room, has set our program apart from other small colleges in the country. We added their XCalibur Stationary furniture, with a great looking Flip Top coffee table to compliment the seating. We also added their Office Chair 1000s for the front work table and Bar Stool 2000s for our rear, bar-height work table. Their Pub Tables also look great with the Bar Stool 2000s overlooking the field. When a recruit comes into our building and they see what DreamSeat has provided us, their expressions and reactions are second to none.

Earlham College Baseball is extremely excited to call Sadler Stadium our home and DreamSeat & Seating Solutions were able to help us turn it into what we believe is one of the finest small college baseball facilities in the country!

Sincerely,

Steve Sakosits  
Head Baseball Coach
