Dear Mr. Sobel,

On behalf of the University of La Verne and the Leopard Athletic Department, I am sending this letter to thank you and your team for the incredible product and service you provided.

Not only were you able to expedite the delivery of our custom designed couch, you were also able to have it delivered a full week ahead of schedule.

As we prepare for the start of our season, I am proud to say that our Varsity Women's Locker-room looks the best it has ever looked since its inception...and that is in large part due to you, your team, and DREAMSEAT overall.

Without a doubt, we fully recommend you and DREAMSEAT to anyone looking to upgrade and enhance their spaces. Thank you again.

GO LEOS!!!
