This is a letter of recommendation for DreamSeat and their Illinois account representative Jarrod Behringer.

Principal
Stephen McWilliams

While attending the NIAAA national Conference last December I stopped by the DreamSeat booth in the exhibit hall and was impressed with the quality of their products. As a result, I purchased a number of items from Jarrod this past spring, including chairs for my office, desk, and conference room. I also ordered a logoed table for the outer office.

I have had so many compliments on how our athletic office looks now, due to the DreamSeat furniture that we purchased. If you are looking to make changes to your office, I highly recommend contacting Jarrod. He was excellent to work with.
