JASON MATTERN, ATHLETIC DIRECTOR

June 11, 2015

The DuVal Athletic program purchased new furniture for our newly designed Coaches Lounge during the Fall/Winter of 2014. Jarrod Behringer was a pleasure to work with throughout the entire process from ordering, updating, and shipping.

When the product arrived, the coaching staff and the entire student body was shocked to see something so nice and prestigious! Throughout the athletic year we have received nothing but compliments for the professionalism and design within our new lounge.

I would highly recommend working with DreamSeats to anyone in the athletic industry that wants to raise the bar of their facilities and initiate the “WOW” factor.

We look forward to working with DreamSeats in the near future on additional projects!

Sincerely,

Jason Mattern
