Anabel Garza
Principal

We have purchased a number of couches for our locker room and chairs for our coaches' office from DreamSeat. These products have changed the face of our facility. Our brand is displayed in a clean and stylish fashion, and the furniture is of great quality and comfort. Jerrod Behringer has been extremely helpful and communicative through all of our interactions. I have been actively recommending DreamSeat to all of the coaches I know, and would do the same to anyone looking to improve the look, and branding of their facility.

Keith Carey
Athletic Coordinator
