ABOUT US

DreamSeat is the industry leader in custom logo furniture for first responders. Our furniture is designed to last, and built with the first responder market in mind. Durability and quality are two of our focuses, along with our patented XZipit system which allows firehouses to affix their company patch directly on to all of our furniture options. Should they ever change their company logo or just want to display a different look, the XZipit system easily allows for simple zip on and off changes in seconds. We pride ourselves on the ability to customize ANY logo, patch or crest.
