2D Massage Mechanism.

The CZ-388 has a mechanism that travels in 2 dimensions: vertically and horizontally.

Heat Therapy.

This chair provides your back with soothing heat to loosen and relax your muscles.

8 Auto Programs.

Want a quick massage that's already been thought out by our massage specialists? Jump in this chair and chose one of the auto massage programs, ranging from Therapy to Vigorous.

Zero Gravity.

In Zero Gravity Position your legs are higher than your torso at a 120° angle - this position reduces compression of the spine and improves blood flow.
