

CHAIR WEAR SIGNAGE BAGS

These easy-care, easy-fit slipcovers give your chairs a fresh new look. Made from 100% polyester, they are the better alternatives to those sloppy, loose fitting vinyl covers. Our SIGNAGE BAGS are dye-sublimated, the most advanced way to customize printed fabric. This allows you to customize every inch of your bag, front and back. Dress up your plain event chairs and impress your guests during your sporting event, celebration, or corporate function. Great for sponsorship opportunities.

FEATURES
