Zero Gravity.

In Zero Gravity Position your legs are higher than your torso at a 120° angle - this position reduces compression of the spine and improves blood flow.

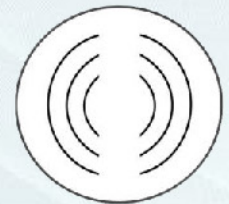

Heat Therapy.

This chair provides your back with soothing heat to loosen and relax your muscles.

Vibration Massage.

Vibration massage is used to relax the muscles and stimulate blood flow.

Hand Held Remote Control.

Control your Svago ZGR Plus chair with the easy-to-use remote control. You can alter your sitting position, the heat, and the vibration massage.
