Universal Folding Chair

Built with a high-quality, powder-coated steel frame, the Universal Folding Chair (UFC) provides durable and comfortable seating solutions for locker rooms, meeting rooms, and any space that requires portable, high-quality seating. Ideal for lighter-duty applications, the UFC is perfect for fan seating, scorer's tables, and bench areas. These customizable folding chairs add a professional and comfortable touch to your events.

The UFC now features non-marking feet, a curved backrest, and enhanced foam in the seat, all contributing to improved comfort without increasing the price point.
